A Message from Meschel Hara

This Sunday is Family Sunday! Every last Sunday of the month on Family Sunday, our 1st – 6th graders will go to “big” church with their family and then dismiss for Kids Church after the offertory prayer. I feel it's important for kids to be able to participate in adult worship once a month so that families can worship together. This also allows our kids to be present during our Lord's Supper Sundays, which also falls on the last Sunday of the month, quarterly.

The rest of the month Kids Church starts at 10:45am, and you can drop off as early as 10:30am. Our Kids Church time consists of small group arrival time games, worship, review of monthly scripture, large group Bible story time, small group Bible story application activities, and prayer time. Having the kids in Kids Church for the full hour gives us much more opportunity to provide a better combination of worship and fun.

Our elementary kids are finishing up our Drop the Act series for the month of October. We've been focusing on the character trait of God, Integrity. Living with integrity means we choose to be truthful in whatever we say and do. There's no need to hide or pretend. We can “drop the act” and choose to be who God made us to be.

Our preschool-aged kids are finishing up the series, Singing in the Rain. They learned this month that “God's got it!” Through the Bible stories of Shadrach, Meshach & Abednego, Baby Moses, Hagar, and Noah preschoolers were reminded that God is with them wherever they go. That's good to remember no matter our age, especially in this day and time with Covid and the increase of people with anxiety. God is with us wherever we go!

FINISHING THE TASK

A stewardship ministry of FBCTC to finish the task of building out the first floor of our facility

BUILDING UPDATE

The Video Production Room, where our talented technicians will produce our Live Stream on Sundays, is in operation. Two of our three new live stream cameras are also in operation with the third on back order. Anyone watching on Live Stream should notice not only a nice upgrade in resolution, but also enhancements in the overall visual and audio effect. Our stage lights should be installed soon and this will also promote a better visual experience. This is a highly important ministry and we greatly appreciate our dedicated volunteers!
