## A Message from Meschel Hara

Got News?!

The big question I have for you is: Are you receiving our weekly newsletter in your inbox? I sure hope so! But it's very possible that you aren't, which makes us very sad. We want to make sure that you are kept informed of every opportunity to be the church of FBCTC. Our weekly newsletter is one of our biggest communication tools.

The ministerial staff takes turns writing to you to encourage, challenge and inform you. We send it out by email, the USPS, and print it for you on Sundays. We work hard each week to put together a newsletter for you that is professional, useful and informative. It is sent out every week on Thursday afternoons. Due to how technology works, it's very possible that you're receiving it, but you don't know you're receiving it. How can that be?! When an email is sent out to a large group of people, it can often end up in your spam box, even though you don't consider it spam, or you may not get it at all.

So if you are not receiving it and you want to, would you check your "spam" folder to see if it's landing there with your junk emails? If so, then try moving it to your inbox. Most often that will train your email system that you want that email to go into your inbox the next time you receive it. Another way you can help it go into your inbox is to add churchoffice@fbctc.com to your contacts. If you would like to receive our communications and you've confirmed that they are not going to your spam box, you can subscribe to our Weekly Newsletter by going to fbctc.com, menu, first steps, get weekly news.

You may think you have to be a member of the church to receive our communications, but that's not the case. Anyone who wants to receive our communications is welcome to. When you visit and fill out a visitor card with your email address, we will automatically add you to our email list. You can also unsubscribe at any time. If you don't have an email address, we also send out our newsletter through the USPS; and you can call the church office anytime to be added to that group.

Thanks for being a part of FBCTC!

We love doing ministry with you!
