FINISHING THE TASK

A stewardship ministry of FBCTC to finish the task of building out the first floor of our facility.

BUILDING UPDATE

Our contractor had a kick-off meeting this week with his subcontractors and some of the subs have already started! One of the first things they will be doing is installing temporary lighting in the construction areas. We are in the process of moving our storage from downstairs to upstairs to be ready for the construction process in the youth and kitchen areas.

Our AC contractor is still at work installing the chiller and getting closer to completion. The building committee continues to meet weekly and work through issues to make our new building be the best that it can be. Please continue to pray for God's guidance through this process and for the safety of those working on our property.

Be strong and finish the task! Zechariah 8:9

A Message from Dennis Johns

Under Construction

I am so excited to finally see workers in and around FBCTC. Construction has begun on the renovation project that we have been anticipating for quite a long time. In just a few months we will be meeting, worshiping, ministering, and having fellowship in and through a renovated building that will have been reshaped and remodeled. This is a building that served a community through retail - many of us remember shopping in this very place. Then it sadly sat vacant for years before FBCTC's acquisition. I cannot wait to see what God is going to do in and through the facilities that will become the new FBCTC.

There could be so many comparisons to the reclamation of lives through God's hand of redemption. Perhaps some feel that their time has come and gone, but God has a plan.

Some think that they are past redemption, but God has a plan. Some feel that they are unworthy of renewal, but God has a plan. Some tend to be satisfied with just getting by, but God has a plan.

We all are products of reconstruction of some form. God is in the business of making things new and reclaiming the old or lost. I think that is one of the reasons that I am so excited for this project of re purposing a retail building into a house of worship. It is a testimony of God's activity in His kingdom on earth in reclaiming broken lives and restoring hearts. Where are you on your journey? Come join us as we participate in restoration, reclamation, and recreation; I think you'll find it's quite refreshing and rewarding.
