It's Summer!

This summer has begun with a bang! In the month of June, our students have been a part of a Super Week of activities, two Vacation Bible Schools, Sports Camp, and we've only just begun! It has been a blast watching students share the love of God with various groups of children. Their enthusiasm is contagious. On Monday of VBS, I encountered a student who looked to be unhappy with her situation. I invited her to stay for the afternoon and assist with Sports Camp. I observed the gradual transformation as each day she became more acclimated to the surrounding student's eagerness as they led groups and participated in activities. By the end of the week, she was smiling and enjoying fellowship with those she was serving. This story repeated itself as many children apprehensively entered the building on Monday morning and were reluctant to leave by the end of the day because of their exciting encounter with the Good News and "the church."

There is something about serving God together that brings about a special kind of unity or bond. It has been observed this month and has given me great appreciation for the students and adults who volunteer to make events like VBS successful. Staff can pray, plan, and prepare, but the week doesn't happen without workers who want to love God through loving children. Of course, it is that way all around in our village we call a church - even the best laid plans do not produce fruit if people do not participate. I am grateful for a church community that serves. Thank you students, parents, adults, and FBCTC staff for your time and talents in loving God by being available and willing to share in the blessing of serving.

Time passes so quickly and the summer will soon be behind us. But the opportunity to serve alongside fellow believers is always in front of us. It may not always be the easiest route to follow; in fact, serving others is often a struggle and requires sacrifice and is sometimes uncomfortable; but I can assure you it is most fulfilling! Let's do this together!
